

October 10, 2016 - 6:00 p.m.

Robinson Center

Auditorium

Mountain Monday Series

Holiday Decoration Workshop

Holiday Wreaths

Make and take home your own festive Holiday Wreath! The wreaths are made from natural materials such as sorghum, miscanthus, broom corn, and decorative corn.

Edible Wreaths

Learn some basic food garnishing skills as you watch a demonstration on creating an edible holiday appetizer wreath. Then put your new skills to work as you assemble your own mini-wreath to take home! Transform fresh veggies into a beautiful and healthy holiday treat using simple tools like a paring knife and vegetable peeler.

Sweet Potato Santa Claus

Learn how to create a carving of Santa Claus out of a sweet potato using only simple kitchen utensils!

Holiday Recipes

Learn about great recipes that you can prepare for your holiday meals, such as Sausage Cream Cheese Bundles and Pumpkin Cookies! Demonstrations and samples will be given for these recipes.

*Limited to 30 participants
